South Carolina Public Service Authority (“Santee Cooper”) letter dated January 11, 2022,  
regarding its triennial Integrated Resource Plan (“IRP”)  
Docket No. 2022-23-E

Informational Filing Concerning Public Stakeholder Meeting #1 Related to Development  
of the 2023 Triennial Integrated Resource Plan

Dear Ms. Boyd:

By letter dated January 11, 2022, Santee Cooper advised the Public Service Commission of South Carolina (“Commission”) of its plans regarding Santee Cooper’s 2023 triennial IRP and the stakeholder process required by S.C. Code Ann. § 58-37-40(A)(3). Santee Cooper provides this informational update to the Commission regarding Public Stakeholder Meeting #1, which was held virtually on March 1, 2022.

The attached summary of Public Stakeholder Meeting #1 was prepared by Vanry Associates who facilitated the meeting. The summary includes the final agenda, presenters, and topics; a Question & Answer Summary; a list of attendees and their affiliations; action items coming out of the meeting; and questions received by Santee Cooper during registration. Within the summary you will be able to find a link to Santee Cooper’s IRP page, where the March 1, 2022 IRP power point presentation; the Question and Answer Log; and a Recording of the Meeting can be found.

Santee Cooper wants to ensure the Commission is aware of this activity and that this filing ensures transparency for those broadly following the stakeholder process at this docket. Santee Cooper is planning on hosting Public Stakeholder Meeting #2 in late April. Santee Cooper will promptly advise the Commission and registered stakeholders of the date, time and agenda for that meeting as soon as it is finalized.

Finally, persons and organizations interested in participating in Santee Cooper's stakeholder process will continue to register for individual meetings at [www.santeecooper.com/IRP](http://www.santeecooper.com/IRP). In order to alert potential participants that registration is open for meetings, Santee Cooper will execute the same public notice process it did for Meeting #1. Once registered, participants will receive reminder emails for the upcoming meeting and notification of when meeting materials are posted to the IRP web page.

Very truly yours,
